litigation (See Doc. 12477) were:

>   Joseph Bruno
>   Calvin Fayard
>   Ralph Hubbard
>   Seth Schmeeckle
>   Judy Barrasso
>   Chase Chassignac
>   Frank Dudenheffer
>   Scott Joanen.

discussion had and the Court's intention in the interest of judicial economy to encourage and

facilitate settlement of the cases under these sub-categories prior to dismantling the Insurance

Sub-Category,

IT IS ORDERED that **no later than May 28, 2008,** counsel shall present to the Court a

proposed Case Management Order for Insurance and Road Home where certain procedures will

be put in place to encourage and obtain settlements of the pending cases in a timely manner with

the understanding that without such settlement, the Court intends at an appropriate time to sever

these cases for random re-allotment. Magistrate Judge Wilkinson will meet with counsel to aid

in the confection of this Case Management Order. It is understood that in the event a single

order is impossible, one specifically for Road Home and another for Insurance will suffice.

IT IS FURTHER ORDERED that counsel shall also discuss and report to the Court **no**

later than May 28, 2008 a suggested method by which to dismiss class action claims still

pending based on allegations of coverage based on the alleged ambiguity in the Water Damage

Exclusion which allegations have been rendered without force as a result of the *Sher* decision by

the Louisiana Supreme Court.
