

review, of which defendants have treated 113 on an expedited basis. The parties will be prepared to discuss this further at the January 30, 2009 Monthly Status Conference.

## **II. MDL Mediation and Resolution Program**

The deadline for enrollment and the submission of Claim Forms for the First MDL Resolution Program has expired.

The Special Master's office continues to review Claims Forms to determine if the Forms meet the qualifying criteria for submission to the Medical Panel set forth in the Term Sheet. The Special Master's office advises that it will be submitting a Status Report to the Court in advance of the monthly status conference. The Special Master continues to notify the attorneys for the claimants that have deficiencies. Thus far, in Propulsid I, the Special Master has submitted 2,629 Tier I, II and III claims to the Medical Panel for review. Of the 2,629 claims the Defendants have treated 2,272 on an expedited basis. Twenty-two (22) of the tiered claims submitted to the Panel have been found eligible by the Panel, and the Special Master has made those awards. Two hundred and eleven (211) tiered claims are still in review by the Panel, 193 of which are considered expedited by the Defendants. The Special Master will report to the Court regarding the current status of claim administration.

On April 29, 2008 the Court entered an Order regarding the waiver of the 6% MDL assessment fee as to those claimants found eligible by the Medical Panel. As for those claimants who have already received awards as of April 14, 2008 and whose awards were subject to the 6% assessment, the Clerk of the Court remitted a check to the Special Master to reimburse those claimants for such assessment and further, the balance of the awards, the holdback 50% of the award, was paid out from the Settlement Fund to each claimant that was found eligible for an

award, and who had previously received 50% of their award. As to all awards made after April 14, 2008, the 50% holdback remains in place.

Defendants continue to submit a list of plaintiffs/claimants whose records have already been obtained by defendants in whole or in part, so when necessary, the parties, the Special Master and the attorneys for these plaintiffs/claimants can expedite the submission and review of the Claim Forms for these individuals.

The parties have agreed on a select number of cases that will be subject to a second review, 9 of which have been deemed eligible for awards.

The weekly telephone conference with the Special Master, PLC, DLC and SLC continues to take place to discuss a number of administrative issues germane to the Resolution Program.

The parties will be prepared to discuss these issues further at the January 30, 2009 Monthly Status Conference.

### **III. Attorney's Fees Issues**

On November 23, 2005, the Court issued an Order and Reasons regarding the Emergency Motion for Distribution of Attorney's Fees with full reservation of rights to all attorneys who may claim any right to common fees and expense reimbursement. On December 5, 2005, Daniel E. Becnel filed a Motion to Reconsider the Motion. The matter was set for hearing on September 24, 2008 at 9:00 a.m., but has been continued.

On March 2, 2006 Dumas & Associates Law Corporation filed a Motion for Common Benefit Fees and Expenses Reimbursements. On April 4, 2006, the PLC filed a response to the motion. The hearing date has not been set.

On August 5, 2008, Robert J. Caluda and A.J. Rebennack filed a Motion for Leave to File Motion for Reimbursement of Costs for Common Benefit to the Class and Committee. The PSC

filed an opposition to the motion on October 6, 2008. The matter was set for hearing on November 5, 2008 and a resolution was reached.

**IV. Plaintiff's Counsels' Request to Receive 100% of Award**

Plaintiffs' Liaison Counsel and Defendants have agreed to a permanent modification of the 50% holdback provision of the Term Sheet in Propulsid I. The law firms of Herman, Gerel, LLP and Levin, Fishbein, Sedran & Berman have agreed to guarantee the funds necessary to allow 100% payments to all eligible claims (excluding the prior 12 that have been paid in full) in the event the total sums awarded to those eligible claimants exceed the total balance available in the Settlement Fund. The parties will be prepared to discuss this further at the January 30, 2009 Monthly Status Conference.

**V. Medical Records From Medical Records Providers**

On December 4, 2008, the Court issued an Order requiring certain medical providers who have failed to comply with or even respond to legal requests made by Propulsid claimants for the production of their medical records to appear in Court on December 22, 2008 to show cause why they should not be held in contempt of court and why they should not also be fined \$1,000 per day for every day thereafter until such records are produced. The Order provided that the medical records providers can satisfy the records request by submitting the information to Special Master Patrick Juneau in the Special Master's Office, 400 Poydras Street, Suite 2820, New Orleans, Louisiana 70130-6901, prior to Thursday, December 18, 2008, so that they will no longer be subject to the Order and no required to appear in Court. The parties will be prepared to discuss this further at the monthly status conference on January 30, 2009.

**NEW ITEM:**

**VI. Destruction and/or Retrieval of Medical Records**

The Special Master, in conjunction with the parties, is crafting a process for the destruction and/or the retrieval of medical records that the Special Master has collected for the claims in the Settlement Programs. The parties will be prepared to discuss this further at the monthly status conference on January 30, 2009.

Respectfully submitted,
