THIS DOCUMENT RELATES TO ALL CASES

A telephone conference was held on this date in the Chambers of Judge Eldon E. Fallon in Houston, Texas. Russ Herman and Leonard Davis participated on behalf of the Plaintiffs, and James Irwin, Thomas Campion, and Chuck Preuss participated on behalf of the Defendants. Special Master Patrick Juneau also participated. Liaison counsel and the Special Master discussed the status of the litigation and the Settlement Program, given the displacement of the Court and counsel due to the hurricane. Until further notice, the Settlement Program will be managed out of Lafayette, Louisiana. All efforts will be made to expedite processing of claims and distribution of funds under the Settlement Program. In addition, the Court plans to keep all trial dates for Propulsid on schedule. The Court will issue updates via the Propulsid Web site as information becomes available.
