The distribution of the Punitive Damages portions of the Settlement Agreements is approved. The New Class Claims Administrator and Epiq Class Action and Claims Solutions, Inc. and other vendors are instructed to proceed with the distribution and the following actions specified under the direction and supervision of the New Class Claims Administrator:

- (c) Revising the amount of the prior New Class Costs Allocation to \$2,749,500.00 and approving of transfer of those funds from the HESI-Transocean Punitive Damages Combined Settlements Fund to HESI-Transocean Punitive Damages Combined Settlements Fund B, as needed to effectuate administrative efficiency and approving use of such funds to pay invoices associated with the Old Class and New Class, upon receipt of Court approval, going forward;

- (e) Directing the Escrow Agent to fund the HESI-Transocean Punitive Damages Combined Settlements Fund B account at Huntington Bank with the remaining funds from the HESI and Transocean Settlement Funds from the HESI Settlement Fund Escrow Account and the Transocean Settlement Fund Escrow Account, less holdback for tax liability as directed by the Claims Administrator or his agent. Such funds may be transferred from the Escrow

Agent to Huntington Bank via wire transfer upon the Court entering the Order approving the Motion for Approval of Final Distribution of the Punitive Damages Portion of the Halliburton Energy Services, Inc. and Transocean Ltd. Settlement Agreements and the New Class Claims Administrator making a request to the Escrow Agent for transfer of these funds;

- (f) Approving the New Class Claims Administrator to re-calculate the Distribution B Reserve Claims value once a final Distribution B Net Settlement Fund amount is established, and to adjust the current reserve of \$12,469,265.20 accordingly;
- (g) Making any final updates to the estimated *pro rata* based on the final value of funds available or changes to eligible claims pursuant to the methodology stated herein, without the need for further approval of the Court as long as the adjustment to the *pro rata* is 0.5% or less;
- (h) Approving the New Class Claims Administrator's claim determinations made pursuant to the methodology established based upon the Court's Order and Reasons (Rec. [Doc. 22252](#)), which included approval of the New Class Distribution Model, subject to the reallocation percentage increase discussed in the New Class Claims Administrator's motion, memorandum, and supporting declaration;
- (i) Approving a revision of the contingency holdback of \$5,800,000.00 established for New Class Distribution A to \$3,500,000.00 and approving transfer of these funds to the New Class Distribution Fund B account;
- (j) Issuing payments via wire or check, as appropriate, to Claimants upon an Order of the Court approving distribution being final; however, reserving unto the New Class Claims Administrator the authority to hold back payments for (1) individuals/entities with missing, incomplete, or inaccurate IRS Forms W-9 or, in the New Class Claims Administrator's

- (k) Reissuing checks on a periodic basis along with first time payments for eligible Distribution B Reserve Claims already approved for distribution by the Court that have been resolved in the month prior; initial payments will be made in a manner consistent with the methodology stated in the New Class Claims Administrator's motion, memorandum, and supporting declaration and with the *pro ratas* applied to the various claim categories and claim types included in Distribution B;
- (l) Issuing IRS Forms 1099-MISC to attorneys and Claimants with reportable distributions and filing the same information with the IRS annually until distribution is complete;
