EASTERN DISTRICT OF LOUISIANA**

**IN RE: TAXOTERE (DOCETAXEL)  
EYE INJURY PRODUCTS LIABILITY  
LITIGATION**

**MDL No. 3023**

**SECTION: “H” (5)**

**This Document Relates to:**

*All Cases*

**CASE MANAGEMENT ORDER NO. 1 (“Direct Filing Order”)**

**I. Scope of This Order**

This Order shall govern (1) cases transferred to this Court by the Judicial Panel on Multidistrict Litigation, pursuant to its Order of February 1, 2022; (2) any tag-along actions subsequently transferred to this Court by the Judicial Panel on Multidistrict Litigation pursuant to Rule 7.1 of the Rules of Procedure of that Panel; and (3) all related cases originally filed in this Court or transferred or removed to this Court. The Order only applies to claims brought by a U.S. citizen or resident based on usage or purchase of Taxotere (Docetaxel) in the United States.

**II. Direct Filing of Cases into MDL No. 3023**

A. **IT IS ORDERED** that any plaintiff whose case would be subject to transfer to MDL No. 3023, and that could have been filed in any United States District Court, may instead directly file a complaint in the Eastern District of Louisiana, thereby commencing a separate civil action for consolidation, for pre-trial purposes only, with MDL No. 3023. In doing so, plaintiff’s counsel shall, by signing and filing pursuant to this Order, certify compliance with FRCP Rule 11, and be prepared to demonstrate due specific factual inquiry sufficient to immediately participate in discovery and/or substantive mediation, and demonstrate as much to this Court upon inquiry by the undersigned.

B. As stated in Paragraph II(A), any complaint that is filed directly in the Eastern District of Louisiana, pursuant to this Order, shall be filed as a new civil action through the Court's electronic filing system. At the time of filing, the complaint shall bear the caption set forth in Paragraph K of this Order and be accompanied by a civil cover sheet and summons. The civil cover sheet shall specify under the "Related Case(s)" section that the case is related to MDL No. 3023. Once the case is filed, it shall be assigned a civil case number. After review by the Clerk of Court's office, the case will be automatically consolidated in MDL No. 3023.

C. Subject to the provisions of Paragraphs D, E, and F, Defendants shall not at this time assert any objection of improper venue pursuant to FRCP 12(b) as to any Taxotere eye injury-related cases that emanate from districts outside the Eastern District of Louisiana, but are filed pursuant to this Order for pretrial consolidation in this multidistrict litigation proceeding. Defendants' right to do so shall be reserved and may be urged after receiving leave of Court.

D. Each case filed directly in the Eastern District of Louisiana, pursuant to this Order, that emanates from a district court outside the Eastern District of Louisiana will be consolidated in MDL No. 3023 for pretrial proceedings only, consistent with the Judicial Panel on Multidistrict Litigation's February 1, 2022 Transfer Order.

E. For each case filed directly in the Eastern District of Louisiana, pursuant to this Order, that emanates from a district court outside the Eastern District of Louisiana, counsel for Plaintiff must submit a Notice of Designated Forum, by selecting "Notice-Other" as the event in CM/ECF and identifying the designated forum in the text description. For example, "Notice of Designated Forum – Northern District of California." The designated forum shall be a federal district court either where the Plaintiff was allegedly injured or where the Plaintiff resided at the time of his or her injury.

F. Upon completion of all pretrial proceedings in any case before this Court by virtue of this “Direct Filing” Order, this Court, pursuant to 28 U.S.C. § 1404(a), will transfer each case to the federal district court identified by plaintiff in her Notice of Designated Forum. Defendants may only assert any objection of improper venue pursuant to FRCP 12(b), upon transfer consistent with the provisions in this Order, unless otherwise permitted by the court to which such case is transferred under this paragraph.

G. Nothing contained in this Order shall preclude the parties from agreeing, at a future date, to try cases filed pursuant to this Order in this District.

H. The inclusion of any action in *In re: Taxotere (Docetaxel) Eye Injury Products Liability Litigation*, MDL No. 3023, whether such action was or will be filed originally or directly in the Eastern District of Louisiana, shall not constitute a determination by this Court that venue is proper in this District or that this Court has personal jurisdiction over any named party. Likewise, nothing in this Order shall be construed as a waiver of personal jurisdiction or *Lexecon* rights (*see Lexecon Inc. v. Milberg Weiss*, 523 U.S. 26 (1998)) by any named Defendant, served or unserved. The references to “Defendants” herein shall not constitute an appearance nor waiver of service by or for any Defendant, not otherwise properly served.

I. Any case filed directly in the Eastern District of Louisiana for pretrial consolidation in MDL No. 3023, pursuant to this Order, shall have no impact on choice of law that otherwise would apply to an individual case had it been originally filed in another district court and transferred to this Court pursuant to 28 U.S.C. § 1407.

J. When asserting a statute of limitations defense in response to any complaint filed directly in the Eastern District of Louisiana for pretrial consolidation in MDL No. 3023, pursuant to this

order, the filing date will be deemed to be the date that the case was filed in the Eastern District of Louisiana.

K. Any complaint directly filed in MDL No. 3023 shall bear the following caption:
