**COVID-19
GENERAL ORDER NO. 21-1
January 14, 2021**

To combat the spread of the Coronavirus Disease (COVID-19), given the severity of risks posed to the public, Court staff, and other Court agencies, and considering the public health recommendations from the Centers for Disease Control and Prevention (CDC), the undersigned Chief Judge for United States District Court for the Eastern District of Louisiana hereby issues this order, which amends COVID-19 General Order No. 20-6, COVID-19 General Order No. 20-9, COVID-19 General Order No. 20-10, and COVID-19 General Order No. 20-13 (attached as Exhibit A to this Order and incorporated herein by reference) to extend certain deadlines addressed therein as follows.

1. All civil and criminal jury trials are suspended until May 1, 2021 and will be reset by each presiding judge. Those continuances do not continue any pending deadlines other than the trial dates. Attorneys should contact the presiding judges in their continued cases if they seek to modify such other deadlines.
2. With regard to criminal matters, due to the Court's reduced ability to obtain an adequate spectrum of jurors and the effect of the recommendations of the health organizations mentioned in Exhibit A on the ability of counsel and Court staff to be present in the courtroom, the time period of the postponements implemented by this administrative order will be excluded under the Speedy Trial Act, as the Court specifically finds that the ends of justice served by ordering the postponements outweigh the best interest of the public and any defendant's right to a speedy trial, pursuant to 18 U.S.C. § 3161(h)(7)(A).

IT IS SO ORDERED.

**COVID-19
GENERAL ORDER NO. 20-6
April 24, 2020**

This order is being issued in continued response to the recent outbreak of the Coronavirus Disease (COVID-19) in the United States, the State of Louisiana and specifically New Orleans, Louisiana. The World Health Organization has declared that COVID-19 qualifies as a global pandemic, having spread across more than 190 countries and territories with more than 861,000 confirmed cases in the United States and 25,739 (as of this order) in Louisiana. New Orleans, where the Eastern District of Louisiana federal courthouse is located, continues to lead the state with 6,263 coronavirus cases in Orleans Parish.

The President of the United States, Governor of the State of Louisiana, and the Mayor of the City of New Orleans have declared a public health emergency throughout the country, State and the City, respectively in response to the spread of COVID-19; and

The Centers for Disease Control and Prevention (CDC) and other public health authorities have recommended social distancing as a means of limiting further community spread of COVID-19; and

The State of Louisiana has issued a Stay at Home Order directing all Louisiana residents to shelter at home and limit movements outside of their homes beyond essential needs;

Accordingly, to combat the spread of the disease, given the severity of risks posed to the public, Court staff, and other Court agencies, and considering the public health recommendations from the CDC, the undersigned as Chief Judge of the United States District

EXHIBIT A

2. With respect to other matters requiring in-person appearances, including bench trials, hearings, conferences or other proceedings in either civil or criminal matters between the date of this order and August 1, 2020, counsel must contact the presiding judge's chambers to determine whether and how the matter will proceed.
3. For reasons given above and below, all grand jury proceedings in this District are suspended until August 1, 2020, subject to change upon motion from the government and further orders of the Court.
