**ORDER**

Considering the above and foregoing *Ex Parte* Motion for Approval of Payment of Claims Administration Expenses,

IT IS ORDERED that the motion is hereby granted and the Escrow Agent (First NBC) is directed to issue a draft in the amount of \$31,049.14 to Angeion Group from the settlement funds on deposit for payment of claims administration expenses associated with the Indirect Purchaser Plaintiffs' preliminarily approved class settlement with Pentair Water Pool & Spa, Inc. Payment of these expenses from the settlement funds in escrow in no way affects the obligations of the parties in the event the settlement is not finally approved, as set forth in the Settlement Agreement (R. Doc. 659-2).

New Orleans, Louisiana, this 16th day of March, 2016.
